MIAMI-DADE COUNTY
APPROVED

*All measurements are nominal and can vary according to FL Building Code.

CLASSIC BEAUTY MEETS MODERN ENGINEERING

The 5V Crimp roofing panel is the timeless look of authentic Florida in a strong, durable and energy efficient roofing system.

Its 24" panel width and exposed fastener application make 5V Crimp one of our most economical roofing options. The distinctive design featuring alternating single and double ribs provide the old Florida look, while the screw pattern provides engineering to protect your home in the strongest of storms.
