VERSATILE, ECONOMICAL
& ENERGY EFFICIENT

Durability and easy installation have made GulfRib[™] a popular choice for many exposed fastener applications. It is most commonly used among residential, light commercial and agricultural projects.

This 3/4" high trapezoidal ribbed profile is a long lasting, low-maintenance panel with strong-ribs spaced 9" on-center. GulfRib[™] metal roof system has added incredible strength and stability to many of the world's finest structures.
