APPROVED

\*All measurements are nominal and can vary according to FL Building Code.

### MECHANICALLY SEAMED FOR SUPERIOR STRENGTH

**MegaLoc<sup>TM</sup>** is an ultra-premium, hidden screw metal roofing system specifically designed for commercial and architectural applications.

A strong, 180° mechanical seam provides the ultimate in weather-tightness and structural strength. Available with a seam height of 2", and in widths from 16" to 18", this panel is versatile, with approvals allowing installation over steel decks or open framing.
