GulfCoast SUPPLY & MANUFACTURING

ARMORED COAST™

The Strength of Steel. The Endurance of Aluminum.

If you love the idea of a strong, durable metal roof but need extra protection from salty coastal air, **Armored Coast™** could be the perfect choice. It offers the strength of steel—great for handling hurricane-force winds — while also resisting saltwater corrosion much better than standard steel. You can install **Armored Coast™** as close as **300 feet from breaking surf**, giving you coastal performance without paying the high price of aluminum.

CHOOSE ARMORED COAST

- ✓ Corrosion resistance and cut-edge protection up to 300' feet from breaking surf and zero set back from all other coastal waters
- ✓ 20-Year Substrate Warranty
- ✓ 50-Year "*OceanGuard™*" Paint Finish Warranty
- ✓ Cut edge rust protection
- ✓ 50 KSI steel, meeting all standard testing

AVAILABLE FOR 16" PROFILES: *24 Gauge Only*
